

Patient Information

AGE: 48

DX: Breast Cancer ER+, PR+, HER-

REGIMEN: Adriamycin & Cytosan q 2 x 4 followed by Paclitaxel weekly x 12

HAIR TYPE: Medium thickness with some wave, color treated

WHY SCALP COOLING: I wanted to keep my hair to maintain normalcy for my family throughout my treatments. In my career, I wanted medical privacy with the choice to share my situation.

Patient Experience

"It was a commitment of extra time for each treatment day; it was worth it to me. My husband and family were extremely supportive through it all. The Cooler Heads team was so attentive and helpful from the start."
